Executive Director to Speak at European Conference

**Small UAV Coalition Executive Director to Join Industry Leaders in
Ireland November 6-8, 2015**

WASHINGTON, DC – OCTOBER 13, 2015 – Small UAV Coalition Executive Director Michael Drobac will speak at the second Drones Data X Conference, which will bring together unmanned aerial vehicle (UAV) industry leaders and decision makers from November 6-8 in Westport, Ireland. The first conference, which Drobac also attended, was held in May 2015 in Santa Cruz, California.

Facebook chief engineer Andy Cox, NASA's Parimal Kopardekar, Verify CEO Jay Bregman, and Airmap CEO Ben Marcus are also among the scheduled expert speakers.

The conference will focus on the vast potential of UAVs across a wide range of industries, including agriculture, oil and gas, mining, and photography, as well as humanitarian and scientific applications.
